August the 5th 1720. I sold to *John Higden*, Jun. by a Contract made between him and *David Martin* in Trust for me, whereby he obliges himself to Transfer to the said *Higden* 1000*l.* *South Sea* Stock with the last *Midsummer* Dividend, and all other Dividends that shall arise in three Days after the opening the Books, after the then next *Christmas* Dividend, at

1100

Whereas on the 30th of *December* last, I stood indebted in several Sums of Money to several Persons, whose Names are mentioned in the Particular or Inventory of my Debts now owing by me, who reside in distant Parts beyond the Seas, I then towards the Payment, Satisfaction, and further Security of such of the said Persons as are mention'd in the Schedule annex to a Deed of Assignment and Sale then executed by me to *John Toller* of *Lincoln's Inn*, Esq; did assign, sell and set over to the said *John Toller*, Esq; all my Right and Title to my two Messuages or Tenements in *James-street*, in the Parish of *St. Margaret's, Westminster*, and which are mention'd in the Particular or Inventory of my Estate, as also four thousand six hundred Pounds part of the Capital Stock of the *South Sea* Company which I was that Day interested in, and which is the same Stock mentioned in the Inventory of my *South Sea* Stock, in Folio 24, for the Uses following, *viz.* to sell and dispose of the same, and out of the Monies arising from the Sale, in the first Place, to pay and satisfy himself all such Costs and Charges as he should pay or be put unto for any Act done in pursuance of the Trust, and after Payment thereof to distribute and divide the Remainder unto and amongst the said Persons in Proportion to their several Debts; and if any Surplus or Residue should remain the same to be for my Use only.

But whereas Don Sebastian Francisco Diesmo Caleda, mentioned in the said Schedule as a Creditor for 3220*l.* 4*s.* 1*d.* did draw upon me a Bill of Exchange for seventy two Pounds, which I have since paid, his Debt is thereby reduced to

3148 4 1

I likewise stand bound to the Bank of *England* in two great Sums, on the behalf of the Corporation of the *London Assurance*.

I had Orders to place out at Interest the Money of Don Sebastian Francisco Diesmo Caleda, which I receiv'd in *November* 1719, but having not done it, the same may be demandable against me.

At *Christmas* 1716, I took *Edward* the Son of Mr. *John Seward* to be my Apprentice, and had with him 430*l.* upon which Consideration I oblig'd my self to send him as my Factor beyond the Seas, and to maintain him there at my Expence for the Space of two Years, and likewise to settle him in Business abroad; but being incapable of performing this part of my Contract, have thought it but justice to return 200*l.* part of the 430*l.* I receiv'd of Mr. *John Seward* unto the said *Edward Seward*.
